

Maren Hatch

Director

Maren Hatch was born and raised in Albuquerque, New Mexico. She received her Bachelors, Masters, and PhD in Electrical Engineering from the University of New Mexico, with concentrations in electromagnetics and plasma physics. She works as a high-energy-density physics experimentalist in the Fusion Experiments program at Sandia National Laboratories.

Maren is currently the president of the Sandia Civitan volunteer organization in Albuquerque. She regularly volunteers with Saranam and the Rock at Noonday, providing resources and empowering those experiencing homelessness in the Albuquerque area.
